### BASIC TRANSFER REQUIREMENTS FOR A CALIFORNIA STATE UNIVERSITY (CSU)

#### Who is an Upper-Division Transfer Student (UDT)?

If you will have at least 60 semester or 90 quarter transferable units completed by the time you enter a CSU, you are considered an upper-division transfer applicant.

#### Admission Requirements for UDT Students

To be admitted to the California State University as an upper-division transfer (UDT) student, you must:

- Have completed a minimum of 60 semester or 90 quarter units of transferable coursework;
- Have an overall college GPA of at least 2.00; your GPA is calculated using all transfer units attempted. In high-demand majors and campuses a GPA of 2.00 may not be sufficient to be admitted;
- Be in good standing at the last college or university attended. In simple terms “good standing” means you are eligible to re-enroll at your last college or university;
- Have completed 10 general education courses (30 semester units or 45 quarter units) of basic skills courses, with a grade of C– or better, and, specifically, four courses completed in the following areas;

⇒ **Oral Communication**

- SPCH-1 at Barstow Community College

⇒ **Written Communication**

- ENGL-1A at Barstow Community College

⇒ **Critical Thinking**

- ENGL-1C at Barstow Community College

⇒ **Mathematics/Quantitative Reasoning**

- Math-1, 2, 3, 4, or 5 at Barstow Community College

### UNIVERSITY SPOTLIGHT— CALIFORNIA STATE UNIVERSITY—SAN BERNARDINO

California State University, San Bernardino is a preeminent center of intellectual and cultural activity in Inland Southern California. Opened in 1965 and set at the foothills of the beautiful San Bernardino Mountains, the university serves more than 20,000 students each year and graduates about 4,000 students annually.

CSUSB reflects the dynamic diversity of the region and has the most diverse student population of any university in the Inland Empire, and it has the second highest African American and Hispanic enrollments of all public universities in California. Seventy percent of those who graduate are the first in their families to do so.

#### Admissions Requirements:

The minimum admission requirements for transfer students applying to CSUSB are 60 semester (90 quarter) units of transferable course work taken at a regionally accredited\* community college or university.

Within the 60 semester (90 quarter) units, students must complete the following four basic skills courses with a grade of "C-" or better in each course:

- Freshman Composition
- College Algebra (or baccalaureate level transferable math course equivalent)
- Critical Thinking
- Speech/Oral Communication

The remaining courses for transfer come from the CSU/IGETC General Education Transfer Pattern (at least 30 semester/45 quarter units), and the from the major).
