Other Information

19.	Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit).
	For question #18, "Employment rates for CTE," we were to provide employment data for programs that had 10+ completers in the designated year. The designated year being 17/18, job placement rates (as measured in the year following graduation) would need to be from 18/19. We use the Perkins Core indicator report for job placement data; the most recent data available is from 16/17. Therefore, we looked at job placement rates in 14/15, 15/16 and 16/17 for programs that had 10+ completers in 16/17.

The data included in this report are certified as a complete and accurate representation of the reporting institution.
