**Date:**

Completion of all the California State University (CSU) System General Education Requirements will permit a student to transfer from Barstow Community College (BCC) to a campus in the CSU System without the need, after transfer, to take additional lower-division general education courses. After transfer, students will be required to complete nine upper-division general education units to reach a combined total of the 48 general education units required in partial fulfillment for a degree from the CSU System. BCC will certify general education, including appropriate courses taken at other regionally accredited institutions, for students who meet the 12-unit residency requirement at BCC. No class may be used to satisfy requirements in more than one of the five general areas. Courses used to satisfy the American Institutions requirements may also apply to Area D.
