VI. Public Comments: *[To be limited to 15 minutes; 3 minutes per person]:*

Johnathan Robles: Just for clarification this is just a resolution, there's no like concrete plan set for this to move forward to like see if there are any students that will get protection from this discrimination? Uhh all the various discrimination that this includes?

Joann Garcia: What this is, is a resolution saying we as student government will be the voice of the students, and understand the situation so we can send it to the board members. Because the board member's tomorrow night will establish that if someone was to come on campus any kids on campus who have come illegally on campus, and someone says can I see a kids record we're saying as a college no. Whether they are Chinese, whether they are African American, or Jamaican or whatever it is our records will not open and our students will be protected by Barstow college
