- Vice President Kasey Moore: Nothing to report.
- Treasurer Carolyn Barnett: \$500 was given for the humanitarian award to ASG and will now be put into the ASG fund.

**Aylin:** We felt it was best to return the money into ASG.

**Wayne:** Who discussed this?

**Aylin:** This was discussed with Joann.

**Arthur:** I do not care about what happens to the money, but we should vote on it.

**Aylin:** Okay, this will be on the next Agenda.

- Secretary Kevin Frias: Nothing to report.
- Region IX Joshua Loper: Saw several workshops and I am glad that our meetings do not take 6 hours to complete. The workshops consisted of how to run a meeting (which I accidentally attended), networking, personality test, and how to be a better Region IX representative. The best place to research is your network. The people that I have met in our region have helped so much and helped me write my first resolution. We should all take a personality test, since everyone is different and we can discover how to work with our different personalities. I am going to go over 5 props that are on the ballot, which are proposition 53, 55, 65, 62, 66. These props consist of legalize recreational use of marijuana, ending the death penalty or speeding it up. Also, congratulation to our newest senator.

- Student Trustee Wayne Brown: I could not attend the Board of Trustee meeting, since I was ill, but I will attend the next meeting. There is a going to be a costume baseball game. The men and women basketball games will begin at San Diego. We need more people to attend the basketball games.
- Senators:
  - Ladale Rogers: Nothing to report.
  - Erika Gomez: Congrats to PTK for the trick or treat event. A large variety of people showed up to the event. There are also CSU and UC application workshops that are available and they also discuss fee waivers. This is also disability awareness month; ACCESS hosted workshops to raise awareness and teach people about disabilities. The blood drive went well and many students showed up to give blood.
  - Arthur Ramirez: Thank you everyone that showed up to the meeting. The CSU and UC application deadline is November 30.
  - Rajanae Stone: I enjoyed the conference. Thank you, Sui, and Joann for driving and good job at Meet the Candidate night.
  - Ricardo Cuevas: Congratulation to Sui. Honor to work with you.

**VIII. Committee Reports:** [*Committee Reports to be limited to 3 minutes*]

-Business and Finance Committee – Student Assigned to Committee: **Kevin Frias:** I

attended my meeting on Wednesday, which we discussed if we want to remove grass at the front of the campus. However, the committee is hesitant to proceed forward due to people having the ability to circumvent the committees and erase the efforts of the Business and

Finance committee. The committee wanted to discuss FTSE, but one of the members did not show up to discuss.

-Curriculum Committee – Student Assigned to Committee: **Arthur Ramirez:** I could not attend, since I did not receive an email.

-EEO and Diversity Committee – Student Assigned to Committee: **Ricardo Cuevas:** I could not attend, since I did not receive an email.

-Institutional Effectiveness Committee – Student Assigned to Committee: **Erika Gomez:**

The next committee meeting is on November 3<sup>rd</sup>.

-President’s Shared Governance Council – Student Assigned to Committee:

- Student Trustee: **Wayne Brown:** The meeting was today, and we went over the rules of the shared governance council. The handbook will be updated, since it needs to be updated every three years. Every committee will go over their mission statements and update them. We also had a first reading of board policy procedures, conflict of interests, and budget.
- ASG President: **Aylin Moreno:** There is an ADD transition plan, an agency came to overview the buildings and bathrooms for disability compliance.
- ASG Member At-Large: **Joshua Loper:**

-Professional Development and Recognition Committee - – Student Assigned to

Committee: **Carolyn Barnett:** Next meeting is tomorrow at 3 p.m..

-Safety Committee – Student Assigned to Committee: **Ladale Rogers:** There is no problem dressing up for Halloween, but the face cannot be covered due to the clown problem.

-Student Success & Equity Committee – Student Assigned to Committee: **Wayne Brown:**

Just had a meeting today. There was a final reading of adding ASG to tier 2 registration. Next

year is when it will be in place and the dates will be shrunken in between due to students not using it.

-Technology Committee – Student Assigned to Committee: **Vacant**

-Calendar Committee – Student Assigned to Committee: **Kasey Moore:** The committee wants to change the 18-week semester to 16-week and they also want to remove the Spring Break week. I was against the idea of removing Spring Break. The idea of putting commencement on Memorial Day weekend was also suggested. The committee wants to know when Lincoln day should be added. [It was decided that it will be February 9<sup>th</sup>].

-Commencement Committee – Student Assigned to Committee: **Rajanae Stone:** The meeting will be next year.

**IX. Advisor Reports:** [*Advisor Reports to be limited to 3 minutes*]

- **Vice President of Student Services** - Dr. Khushnur Dadabhoy: [Decided to combine time with Joann.] I want to suggest that ASG should split the money into two \$250 and give it out to an ASG member and a club member. ASG needs to think on how to make a difference and know that this is a humanitarian award.
- **Director of Student Life and Development** - Joann Garcia: I want to talk about the humanitarian award. I wanted to split the award to the 6 that attended, but Josh argued that all of ASG should receive the money. I must get a letter from the bank in order to give the money to ASG. However, I felt that the money should go to something, so I thought it would be great to give the money to the Lights of Learning event. There should be a scholarship to give this money and I feel that there is already about 25 people that deserve it. ASG needs to decide on what to do with the money.
