Emergency Aid Funding for Dreamers Acceptance Form

Student Information	
B Number	Name
Email Address	Phone Number

In order to qualify for the one-time Emergency Aid Funding for Dreamers you must have a current, completed California Dream Act application on file and submit this signed form to the Financial Aid Office. This form will not be accepted if you do not have completed California Dream Act application on file.

You must also have unmet need (based off of the California Dream Act application) in order to qualify for the grant. If you are a work student and do not have enough unmet need for this funding, you may elect to reduce your work study hours to accommodate this award.

The funds will be disbursed to you at the next disbursement. Funds are mailed within two weeks of the disbursement posting to your account. Your refund will be reduced if you have any current term fees on your account.

The deadline to submit this request to the Financial Aid Office is the last disbursement deadline for the term. Forms submitted after the deadline will not be considered.

This funding is a one-time grant and awards are available on a first-come, first-serve basis until funds are exhausted. Students may only request funds once per semester.
