

## *Barstow Community College*

### *President's Goals*

**2014-2015**

- I. *The president will actively and professionally represent Barstow College within the Barstow College service area; and will participate in appropriate regional, state and national organizations and initiatives that support the college.*
- II. *The president will lead an effort amongst all constituency groups to ensure collaboration, encourage civility, and demonstrate behaviors that are congruent with Barstow College's ethics and values.*
- III. *The president will establish an enrollment management committee to ensure the development of a comprehensive Enrollment Management Plan to attract, enroll, and increase success of BCC students.*
- IV. *The president will provide leadership in increasing student equity and success at Barstow College. This requires the development and implementation of student equity and success plans; continued collaboration with K12 Districts and higher education partners; involvement of Academic Senate; and a renewed focus on student equity and success as measured by the Scorecard.*
- V. *The president will work with the Associate Vice President of Human Resources to develop and implement a BCC Leadership Academy, and other professional development opportunities.*
- VI. *The president will oversee the development and submission of BCC's accreditation midterm report by March 15, 2015; will ensure continued compliance with all accreditation standards; and will provide the Board with regular accreditation progress reports.*
- VII. *The president will promote and support efforts at developing and expanding transfer, career/technical education and basic skills programs intended to meet the educational, workforce, and economic needs of the greater Barstow region. The president will also support contract education efforts to meet the training needs of local business and industry partners.*
- VIII. *The president, in conjunction with the vice president of administrative services, will bring impending construction projects to closure and work with appropriate community and city agencies to implement a board approved operation plan for the PAC.*
- IX. *The president, in conjunction with the college safety committee and local public safety agencies, will advance college emergency planning and preparedness efforts.*
- X. *The president will lead a college-wide effort to improve data integrity, utilize data in integrated planning efforts, and ensure that funding allocations are tied to planning.*
- XI. *The president will effectively oversee the college's finances, seek ways of enhancing institutional revenues, implement utility saving programs, and maintain a budget reserve of at least 15%.*

#### **President's Office Mission Statement**

The office of the president, in partnership with the elected board of trustees, provides the leadership to guarantee educational quality, promote student success and engagement, maintain fiscal solvency, and develop and nurture useful community, regional, state, and national relationships.
