

Barstow Community College Employee COVID-19 Decision Tree

Communication with your supervisor and Human Resources is **REQUIRED** and very important during this process. You must contact your supervisor for guidance before following the below steps.

Test positive for COVID-19/symptoms:

- **DO NOT COME TO CAMPUS**
- You may need to quarantine for up to 10 days starting from symptom onset.
- Your quarantine may end after day 5 if:
 - You are fever-free for 24 hours (without the use of fever-reducing medication)
 - Your symptoms are significantly improving.
- Returning to campus will include wearing a mask for 10 calendar days.
- Mask can be removed before 10 days if you can provide a negative test.
- If you still have a fever or other symptoms that have not improved, continue to quarantine and seek guidance from Human Resources.

Keep in contact with your supervisor to discuss next steps. If you have additional questions, please contact Lena Vargas at lvargas@barstow.edu in Human Resources.

Close Contact to COVID-19:

- If you have symptoms, please follow the guidance for experiencing COVID-19 symptoms.
- If no symptoms are present, no need to quarantine at this time.
- Wear a mask for 10 days after exposure.
- You should test after 5 days of exposure.
- Monitor symptoms closely.
 - If you develop symptoms or test positive, **DO NOT COME TO CAMPUS** and follow guidance for testing positive for COVID-19.
- If you notified by the health department or by a medical professional of an exposure, and are given additional guidance, please consult Human Resources.
